Nozawa-style sushi is based on a commitment to these principles of quality and excellence:

Quality starts with the best fish every morning.

Simplicity and balance should be used to accent the flavor and texture of the fish.

Sushi should not be stringy, chewy, tough, or fishy.

Rice should be warm and loosely packed so it melts in the mouth.

About our guest experience:

Each plate is served as soon as it is prepared; please don't wait to eat.

Hand rolls should be eaten right away while the seaweed is crisp.

Dishes that are sauced, except sweet shrimp, should not be dipped in soy.

We politely decline requests for extra sauces, salt, or additional rice.

Eating raw or undercooked foods may increase the risk of food-borne illness. Also, please note that while infrequent, there could be pieces of shell or bone in our fish and shellfish.

Almost everyone orders one of the three Trust Me's; you are welcome to order a la carte.
